

**ECTRI Transport Economics and
Policies & Mobility Joint Thematic
Group Meetings
9th December 2020**

**European forum and oBsEratory
for OPEN science in transport**

Transport fOrum for Promoting Open Science (TOPOS)

Dr. Afroditi Anagnostopoulou

*Centre for Research and Technology Hellas (CERTH) /
Hellenic Institute of Transport (HIT)*

BE OPEN

Duration: 30 months

Start Date: 01-01-2019

Call: H2020-MG-2018-SingleStage-INEA

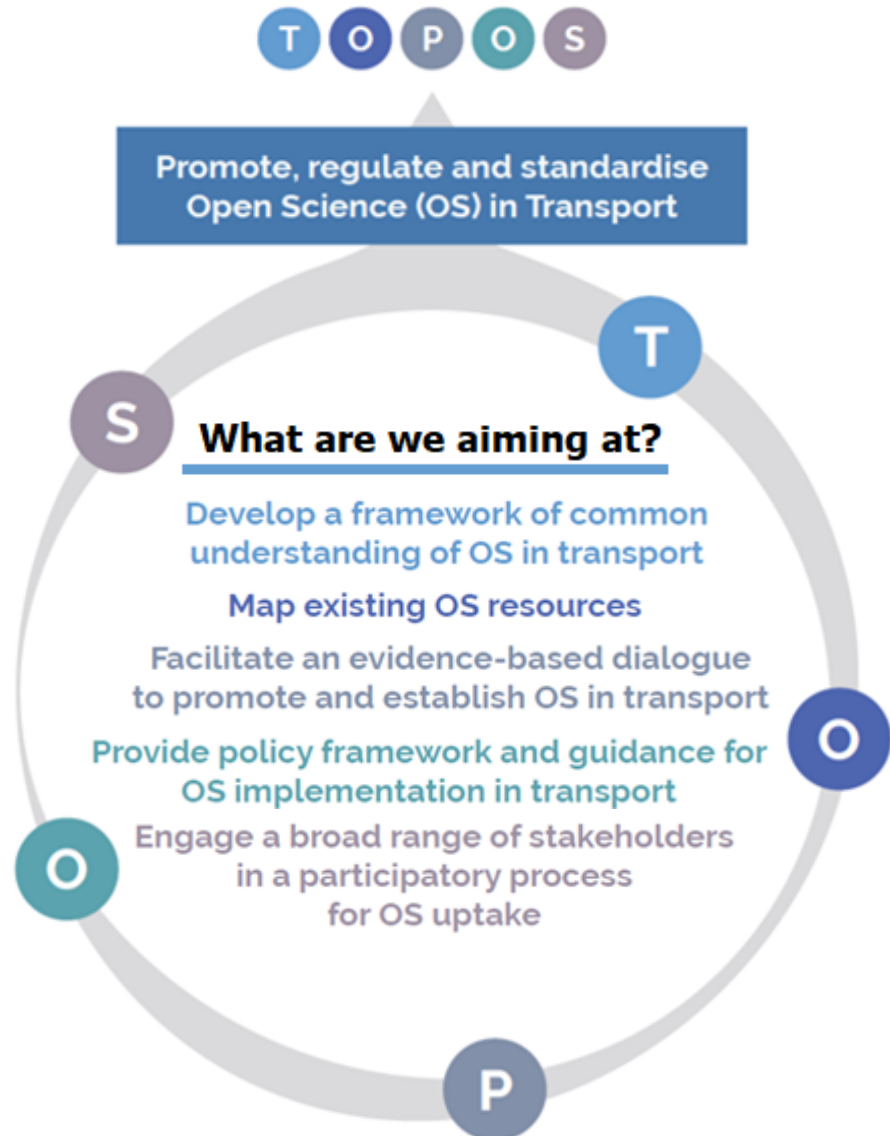

*Type of Action: Coordination and Support
Action*

GA Number: 824323

Overall Budget: € 1,997,283.75

EU Contribution: € 1,997,283.75

OBJECTIVES

TOPOS TOOL

TOPOS forum and observatory tools will contribute to creating a **solid knowledge base on the implementation of Open Science** approach in transport research.

TOPOS Observatory aims to showcase the status and progress of open science uptake in transport research. It focuses on promoting territorial and cross border cooperation and contributing in the optimization of open science in transport research.

www.topos-observatory.eu/

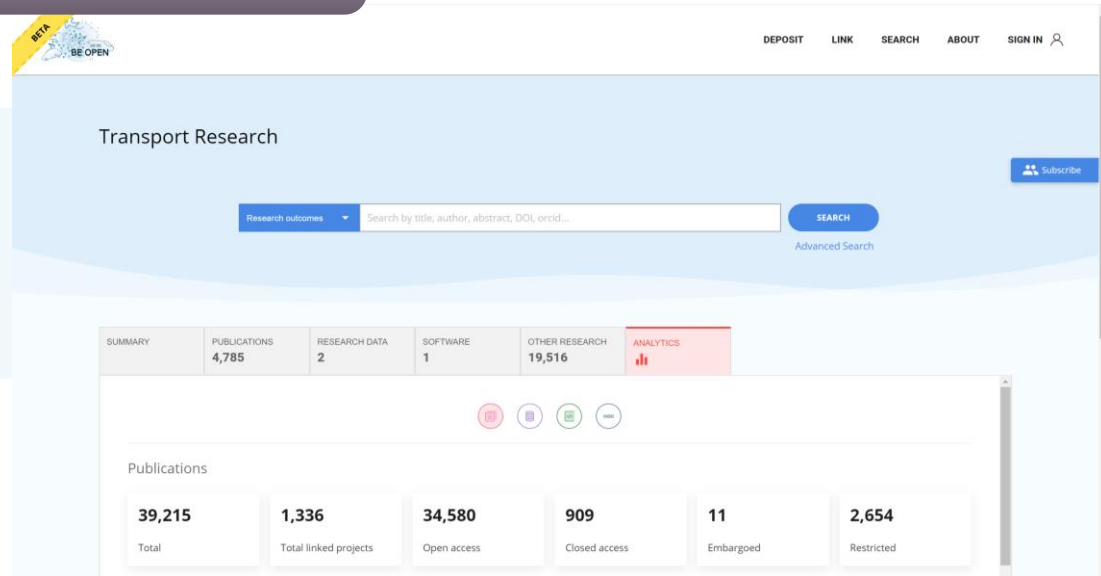

TOPOS fOrum for national and European stakeholders – public and private - aims to exchange ideas and share best practices for operationalising Open Science principles in transport research.

TOPOS FORUM - FUNCTIONALITIES

<https://forum.topos-observatory.eu/>

Users are notified instantly when someone follows them, likes their post, or subscribes to their topics

Advanced search is available and several search filters could be used to fine-tune users' search results.

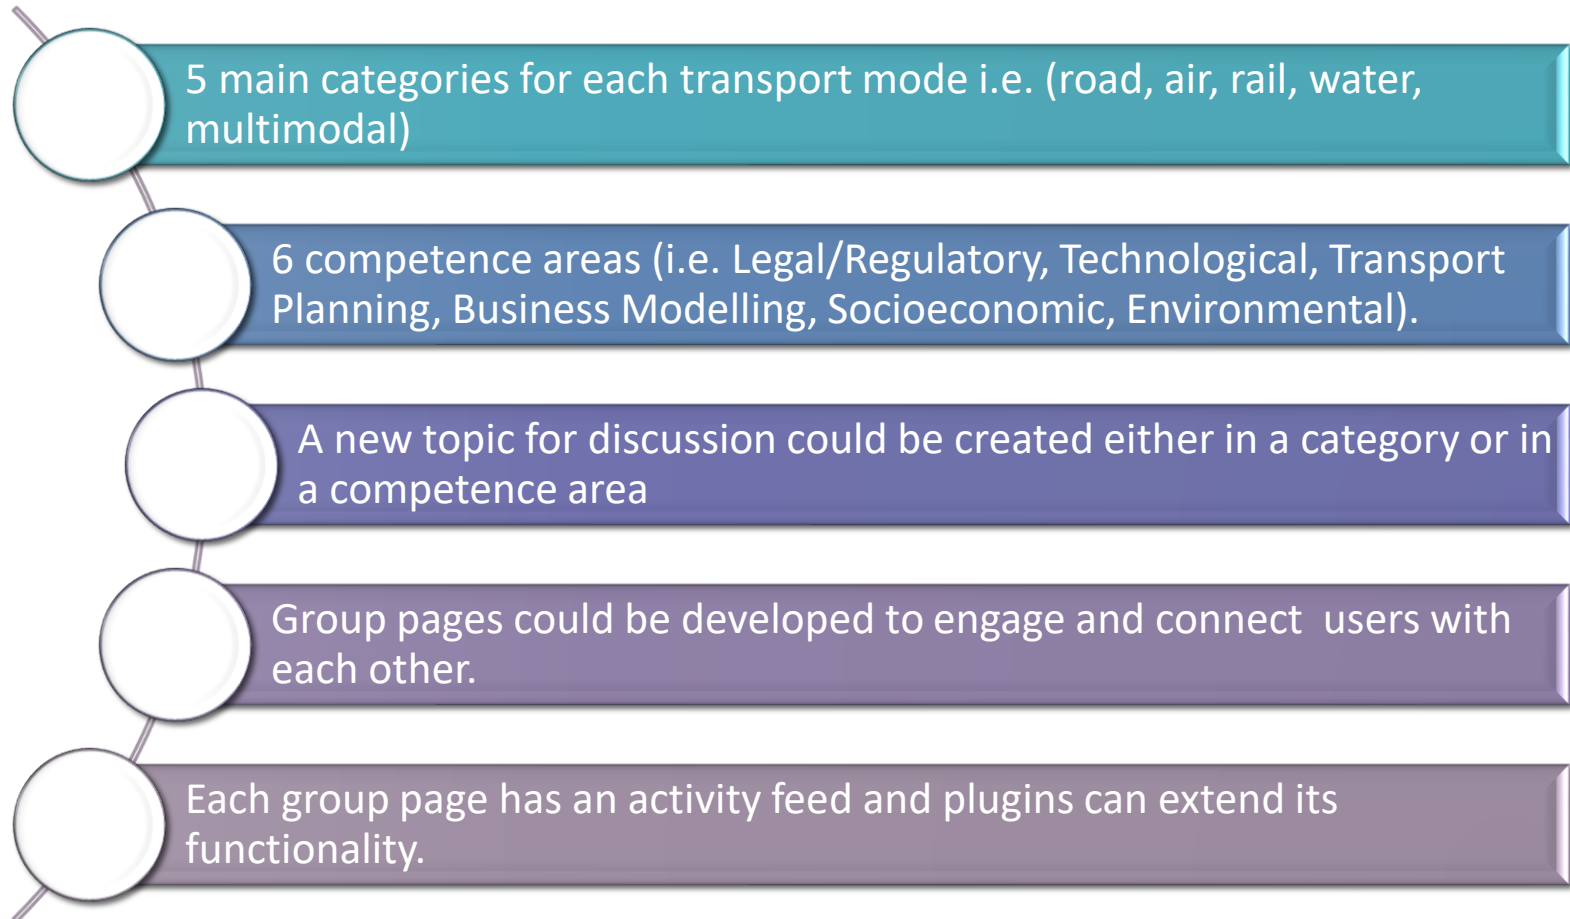

Users can tag topics, adding an extra dimension beyond categorization and making it easy to find related content.

Private chat is also provided.

TOPOS FORUM & Thematic Groups

Services

- To exchange ideas
- To share best practices
- To enable conversation and community interaction
- To create separate groups based on ECTRI's Thematic Groups

Objectives

- Define research topics of interest for supporting European policies and programmes
- Increase successful participation in European projects
- Provide a platform for networking and scientific exchanges
